

ADRA AUSTRALIA SAFEGUARDING CODE OF CONDUCT

FOR SAFEGUARDING CHILDREN AND VULNERABLE PEOPLE AND PREVENTION OF SEXUAL EXPLOITATION, ABUSE, AND HARASSMENT (PSEAH)

1. INTRODUCTION

ADRA Australia is the humanitarian arm of the Seventh-day Adventist Church. We are committed to justice, compassion, and the protection of human dignity. ADRA maintains a **zero-tolerance policy** toward all forms of **sexual exploitation, abuse, and harassment (SEAH)**, whether within our organisation or in our engagement with the communities we serve.

This **Safeguarding Code of Conduct** sets out ADRA’s core values and behavioural expectations. It is designed to prevent the misuse of power and to protect **children, adults at risk, affected communities, and ADRA personnel**. It promotes environments that are **safe, respectful, and inclusive** for all.

The Code also supports ethical decision-making and helps individuals understand their responsibilities in all interactions—with colleagues, partners, and the people we serve.

This Code should be read in conjunction with the ADRA Child and Vulnerable People Safeguarding Policy, which provides further guidance on safeguarding principles, responsibilities, and reporting procedures.

2. GUIDING PRINCIPLES

This Code is based on ADRA’s **Six Core Safeguarding Principles**, adapted from the Australian Government Department of Foreign Affairs and Trade (DFAT). These principles reflect ADRA’s commitment to safety, dignity, and accountability:

1. Zero tolerance of inaction
2. Strong and accountable leadership
3. Survivor needs come first
4. Safeguarding is everyone’s responsibility
5. Power imbalances (e.g. gender, disability) increase vulnerability
6. Transparent and accessible reporting builds trust

These principles are designed to **align with and uphold** the standards set out in key safeguarding frameworks, including:

- **DFAT Child Protection and PSEAH Policies**
- **ACFID Code of Conduct** (focusing on safeguarding and accountability)
- **UN Secretary-General’s Bulletin on Special Measures for Protection from Sexual Exploitation and Abuse (ST/SGB/2003/13)**
- **IASC Six Core Principles on PSEA**

3. SCOPE

This Safeguarding Code of Conduct applies to:

- All **ADRA Australia personnel**, including employees, volunteers, interns, contractors, subcontractors Company Board Directors, and Conference ADRA Directors—whether paid or unpaid, short-term or long-term.
- All **ADRA Australia partners**, including other ADRA offices and external organisations with formal agreements to implement development or humanitarian programs. This includes their staff, volunteers, and contractors involved in ADRA-funded programs.

The Code applies **at all times**, including outside of work hours, when individuals represent ADRA Australia in any capacity. It applies across all locations, funding sources, departments, and project types.

All personnel and partners must uphold ADRA’s safeguarding standards, even where these exceed local laws or cultural norms. **Compliance is mandatory**, and no one may work with or travel to ADRA-supported sites without first signing this Code and the Safeguarding Policy.
